Subject: Notice 2015-16

The Cadillac Tax as written will cripple the small businesses in America that rely on offering a decent employee benefit package to their workforce.

With un-employment rates under 3% in our area, Recruiting, Retaining, and Rewarding employees is of the utmost importance.

On top of that, adding the value of FSAs, HSAs, and HRAs to the formula will destroy those programs.

We request to eliminate, or at the very least raise the value of the Cadillac Tax threshold, and eliminate adding FSAs, HRAs, and HSAs to the formula.

Thank you.
